INDEMNITY AGREEMENT

In consideration of the Surety issuing the Bond(s) herein applied for, the undersigned hereby jointly and severally agree as follows:

1. The undersigned undertake to pay to the Surety, in advance, a premium computed in accordance with the Surety's rates for the Bond(s) applied for herein.
2. The undersigned undertake to indemnify the Surety in full for any loss or damages that it may suffer arising from the issue of one or several Bonds, or arising from a decision of the Surety not to issue any Bond, or arising from any default by the undersigned under the present agreement. The present undertaking includes, without limitation, the obligation of the undersigned to reimburse the surety all sums which it might be called upon to pay as a result of a judgement, arbitration award or settlement; as damages of any nature, including punitive and exemplary damages, as the case may be; in respect of any claim, liability or loss; as expenditure, costs or fees that it may incur, including the cost of internal or external adjusters and consultants; in satisfaction of judicial and extra-judicial fees and disbursements of the Surety's counsel on a solicitor and client basis and legal fees of claimants' counsel; as administration costs related to claims under Bonds and under this agreement.
3. In order to permit the Surety to meet its obligations under the Bonds, the undersigned undertake to advance to the Surety upon demand, funds or satisfactory guarantees sufficient to allow the surety to perform any or all of its obligations under the Bonds, which could be subject to indemnification under the terms of the present agreement, even before any payment has been made by the surety to a third party. Without limiting the generality of the foregoing, the undersigned undertake to advance funds or furnish guarantees, as soon as the Surety establishes or increases a reserve with respect to a claim or a situation relating to the Bond(s), up to the amount of such reserve which will be established by the Surety in its sole discretion.
4. The undersigned acknowledge that the Surety will have the right, in its sole and entire discretion, to decide whether to pay, settle or contest any claim under a Bond without any obligation to consult or advise the undersigned in advance of so doing. The undersigned acknowledge their obligation to indemnify the Surety in virtue of the present agreement, upon presentation by the Surety of a release or a copy of a cheque or any other proof of payment, which will be deemed to be complete proof of the amount paid and of the Surety's right to make such payment as a result of the issue of the Bonds and, consequently, its right to demand reimbursement from the undersigned under the terms of the present agreement.
5. This agreement shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the undersigned.
6. All of the terms and conditions of the present agreement are for the benefit of any predecessors or successors or assigns of the Surety, including as a result of mergers, name changes, acquisitions, portfolios or otherwise; and any reinsurance company or co-surety procured by the Surety to issue the requested bond(s).
7. Should the securities come into the possession or under the control of any of the undersigned, he, she or they will immediately deliver or cause the securities to be delivered to the Surety.
